If its Bulk Jams, Salads, Mayonnaise, Pickles, Milk, Butter, Eggs, Cheeses of all kinds, even magazines. If we were to name everything we sell, we would have to have a full page to do it in. Macaroni and Sausage Creole

Broadcast by: Mary Lee Taylor, Oct. 30

1 1/2 cups broken macaroni or spaghetti
6 cups boiling water
1 1/2 teaspoons salt
3 cups bulk pork sausage (1 1/2 lbs.)
1 cup Pet Milk
1 tablespoon hot shortening
10 1/2-oz. can condensed tomato soup
1/4 cup water

Boil macaroni until tender in boiling water and 1 1/2 teaspoons salt. Drain and rinse with hot water. While macaroni is cooking, mix together pork sausage and 1/4 cup milk. Divide meat mixture into 16 portions. With wet fingers shape the portions into finger-shaped patties. Brown meat slowly on all sides in hot shortening. Remove meat patties and drain off all fat. Pour mixture of tomato soup and water into pan used for browning meat. Add drained macaroni. Heat thoroughly. Heat remaining 1/4 cup milk slowly to boiling. Stir macaroni mixture into hot milk. Do not heat after combining the two mixtures. Put macaroni in serving dish or deep platter. Put meat patties around edge. Serve as once. Serves 6.
*2 1/4 cups broken noodles may be substituted for the macaroni or spaghetti.
